**TASK DETAILS**

1. **Description of the Task**

**Part A: Play Equipment**

*In this task you are asked to design and construct an inexpensive piece of play equipment for a child.*

- Design and construct a piece of inexpensive play equipment for a child (it should be easy to carry and use).
- Make sure the materials and design are safe for children to play with.
- Use a variety of materials, colours, and textures that are safe and show creativity.
- Have a theme for your play equipment.

**Part B: Explain You Play Equipment**

Answer the following questions

1. What age group would be suited to your play equipment?

2. What would they learn about whilst using your play equipment?

3. Why is your play equipment safe for young children?

4. What is the theme of your play equipment?

5. Why should someone buy your play equipment?
