# Principal's Desk

Dear Parent(s)/Guardian(s)

We are more than half way through the term. Many of you have attended Information Nights for a number of Year groups. I thought I would just summarise the key messages for you all in respect to this year at the College.

### **ATTENDANCE:**

We have a low attendance rate compared to other schools in the Diocese. As nearly all of our absences are explained this means that our students take significantly more days off, as either leave or as a result of illness, than other students in our system. This is impacting on the learning outcomes of <u>all</u> our students.

### **VERBAL FEEDBACK:**

We are in the process of revitalising some approaches in the classroom. We believe, and research shows us, that our students need more ongoing feedback. This needs to be timely, as the students are doing their work. Our focus is increasing and improving the amount of verbal feedback that students receive. Teachers will be stamping students' work and students will be expected to write down the feedback they receive. You will able to check this in your child's work starting from Term 2.

### **LEARNING JOURNALS:**

Our students will be keeping learning journals starting in Term 2. These will require students to record what they have learned in a lesson and what they have found difficult to learn.

We invite your feedback on any of these approaches.

God Bless

Kevin Jones

Peer Support: Session 3

Since our Newsletter update Year 11 Peer Support Leaders have been issued with their Leadership Badges in front of their peers at a Senior Form-meeting. Mr Jones and Mr Fernandez presented these badges to our 55 leaders, it is a symbol that represents the special role these students have within the school community. There has been much anticipation and excitement from the leaders with wearing their badges and it is fantastic to see it being worn with pride. The third session of the Peer Support program focused on to developing skills and strategies for critical thinking, perseverance when the situation gets tough and being able to ask for help. It is hard to believe we are over halfway through the program! Year 11 Peer Support Leaders are doing a fantastic job and Year 7 are settling in well to High School life.

### Kindly Mrs Kimberley Baker Peer Support Coordinator

Peer Support: Session 3 (con't)

On the 28th February 2017, Year 7 participated in their third Peer Support lesson. During this lesson they practised critical thinking and learnt how to apply critical thinking to their everyday lives when in tough situations. They also learnt about some outcomes when they made these decisions.

We also looked at who Year 7 can go to for support when in a tough situation. Letting them know there is always someone there to give them a helping hand.

They looked at strategies to apply to difficult situations. They also discussed how positive and negative thoughts affect your learning and school experience. We played a few games to build their teamwork and group thinking.

Years 11 and 7 greatly enjoyed this Peer Support session. It was filled with laughs and joy.

By Kiara-Lee Craft Year 11 Peer Support Leader

Week three of Lent: Uncle Richard, Australia

## PROJECT COMPASSION

First Australian Uncle Richard was kidnapped from his family as a child under policies that gave rise to the Stolen Generations. Uncle Richard was taken to Kinchela Boys Home (KBH) in NSW, and spent his childhood there. Today he is part of the KBH Aboriginal Corporation (KBHAC), established by KBH survivors to reconnect with one another and begin a healing and truth telling process for themselves, their families, and the wider Australian community. Caritas Australia supports KBHAC.

Please donate to Project Compassion 2017 and help Australia's Stolen Generations and their families to heal from the pain of the past. You can donate through School boxes, by visiting:

www.caritas.org.au/projectcompassion

Week four of Lent: Nguyet, Vietnam

A severe disability kept young Nguyet behind closed doors: inhibited by her condition, her family had little connection with their neighbours. But their confidence and skill grew when they participated in the Catholic Relief Services' program, Capacity Building for Parent Associations Supporting Children with Disabilities, supported by Caritas Australia. The program offered Nguyet home-based education, and as her skills have grown she is increasingly engaging with her community.

> Please donate to Project Compassion 2017 and help children with disabilities in Vietnam to learn new skills and connect with their communities. You can donate through School boxes, by visiting:
