Dear Parent/Guardians

As you know there has been a lot in the media in regard to the changes that have been made in terms of the benchmarks that will now be applied to the awarding of the HSC. Much of this has led to unnecessary stress in regard to the recent results and the tests themselves.

In regard to this change it is important that you understand that the provision of an ATAR, which is one way that provides students with access to university, will not require the award of the HSC.

During Term 4 we will be holding a special forum in order to answer all the questions that parents may continue to have in relation to this change.

God Bless

Kevin Jones

Principal

## Lost Property

A number of lost articles are constantly being handed in at the student foyer. Most articles have no name marked on them which means they cannot be returned to their rightful owners. Please ensure that any items of lost property are collected by students from the Student Foyer before the end of Term 4 as any items of clothing not claimed will be handed to the clothing pool. **Please note that there are also items of jewellery, prescription glasses etc in lost property unclaimed.**

# Unischools Steer Competition

The Unischools Steer Competition is a yearly highlight for numerous agriculture students, from years 7 to 12, across 14 participating schools from all across the greater Sydney area. The competition, an initiative of Western Sydney University, involves each school receiving a Poll Hereford steer in which they have 100 days to train, feed, and care in order to produce the best quality steer possible. The competition gives students a firsthand insight into the production of beef products, as well as an opportunity to develop skills in animal handling, show preparation, judging and parading. These skills are put to the test at the competitions conclusion, 'live day'. Live day this year was held on the 12<sup>th</sup> of August at Hawkesbury Showgrounds, seeing 14 steers and 100's of students and teachers come together for a day a fierce competition.

The Bede Ag Show team, under the guidance of Miss Leva, had an extremely successful day of competition with our steer 'Malachi', placing in all classes. Malachi, paraded by Sharne Haskins, was awarded '*Champion Best Presented*' in the first class of the day. Our success was continued in the second class with Malachi, led by Ryan Carpenter, being presented '*Best Led Steer*'.

After the conclusion of the steer classes the focus turned to the paraders with 4 of Bede's best cattle paraders being put to the challenge across 4 highly competitive classes. Harry Hicks placed 4<sup>th</sup> in the Junior Novice paraders whilst Georgia Haskins placed 3<sup>rd</sup> in the Junior Experienced. Lenise Mantell was deemed the best Senior Novice parader, being awarded first prize whilst Sharne Haskins was presented with 4<sup>th</sup> place in the Senior Experienced class.

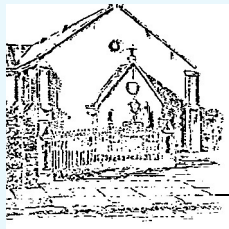

As these paraders skills were challenged in the ring, various other competitions were also being conducted. Our Junior Judges, Samantha Gauci and Isabella Sciberras, as well as our Senior Judges, Ryan Carpenter and Thea Brailey, assessed 2 groups of cattle and presented their judgements, which will be compared with the rulings of the official judges, to find the best Junior and Senior Judges. Junior Herdsman Cameron Bird and Senior Herdsman Sharne Haskins were tested on their knowledge of the event as well as Malachi's feeding, training and overall progress over the 100 days, whilst presenting our schools display to other schools and the public. Our Junior and Senior Beef Appraisal teams also competed, assessing the various cattle in regards to their rib score, eye muscle area and fat coverage. The results of these events, as well as the carcass judging results and overall champion school, will be presented at the closing ceremony to be held in early September.

The Unischools steer competition is a great way to learn about agriculture and the world of cattle showing. Participating in this competition and achieving such great success though is not possible without the tireless efforts of Miss Leva, as well as all the students who helped out over the 100 days. The Bede Ag Show team will be looking to continue our success at the upcoming Penrith Show, before finding out the final results of the Unischools Steer Competition. If you are interested in getting involved with the Bede Ag Group and Show Team, applications will open again in 2018 and the Unischools Steer Competition Training Day will be held in May 2018, for selected students.

Dear Parents & Carers

St Matthew's Parish is blessed with a rich history and a diverse but united community. We are bonded through our 3 schools, Bede Polding College, Chisholm Catholic School and our church school at St Matthew's which is the oldest Catholic school in Australia, having been established in 1832/33.

At the centre of our Catholic ministry is the historic St Matthew's Church, the oldest Catholic Church on mainland Australia, being built between 1836 and 1840.

Maintaining this significant part of our Catholic history is a major challenge but an important responsibility for our community.

Last year our parish held a fundraising Dinner Dance which was a great success and assisted in the ongoing costs of maintaining our church. The Parish will again be holding a Dinner Dance at Windsor RSL Club on **Friday, 3rd November 2017**. The focus for this year's fundraising is the upgrading of the air conditioning which is at the end of its workable life.

Our newly appointed Parish Priest, Fr Robert, the principals of our schools as well as the organising committee invite all members of our community to join in the fun and entertainment of the St Matthew's Parish Dinner dance.

There are many ways to be part of this celebration

- buy a ticket,
- put together a table of ten (10) for the night,
- invite a friend (or many friends)
- donate a prize or a service that could be used on the night to raise funds.

To find out more about St Matthew's Church and how you can help to preserve it, this event, or make a donation please call the Parish Office on 4577 3073. We look forward to strengthening our community bonds by sharing this night with as many people as possible.

Thank you in anticipation,

Di Wilson, Val Gocher

On behalf of the Fundraising Team.

# **Learning and Teaching Report - Rodney Howard**

## **Year 9 NAPLAN results and the HSC minimum standard**

### **HSC minimum standard required to receive the HSC from 2020**

Literacy and numeracy skills are the foundation for success in life after school. This is why eligibility for the HSC is changing. From 2020, students will need to show they have the basic literacy and numeracy skills needed to complete everyday tasks.

### **Your child will have many chances from Year 9 to Year 12, and even after the HSC to show they meet the HSC minimum standard**

Some students will meet the requirement early through their Year 9 NAPLAN results in reading, writing and numeracy. However, most students will show they meet the standard by passing short, online reading, writing and numeracy tests in Years 10, 11 or 12. You can watch a short video that explains

Year 9 NAPLAN results and the new online HSC minimum standard tests at [www.educationstandards.nsw.edu.au](http://www.educationstandards.nsw.edu.au)

### **Year 9 NAPLAN reports available in mid-August**

Your child's Year 9 NAPLAN report will indicate which online HSC minimum standard test/s (if any) they will need to pass to be eligible for the HSC certificate. Remember your child has three more years of learning before the HSC and can take the HSC minimum standard online tests in Years 10, 11 or 12. Year 9 NAPLAN is a good chance to check they are on track or get support to meet the minimum standard by Year 12.

If your child has achieved a Band 8 or above in reading, writing or numeracy, the NAPLAN report will indicate that they have "Met the HSC minimum standard early" in the respective area/s.

### **Your child can sit the online HSC minimum standard tests when they are ready**

There are three separate 45 minute online tests: reading, writing and numeracy. Students don't have to pass all three tests at once and can attempt each test up to twice a year.

The reading and numeracy tests each contain a maximum of 45 multiple choice questions.

The writing test will require students to respond to a question about a prompt or stimulus.

You can try some sample reading and numeracy questions at <https://hsliteracynumeracy.nesa.nsw.edu.au/>
