PRINCIPAL'S DESK

Dear Parents,

I would like to take this opportunity to thank you for all your support over the years that I have had the great honour of being the Principal of the College. The gifts that I have been afforded, after more than a decade in this role, and their influence on me, professionally and personally, are difficult to quantify. Suffice to say that I have been blessed by this opportunity.

Even when things have been difficult and the learnings have been great we have supported one another as a community. I am deeply thankful for the work of a wonderful teaching and ancillary staff.

Remember to "Rejoice always, pray constantly, give thanks in all circumstances; for this is the will of God in Christ Jesus for you." Thessalonians 5:16-18

God bless you all

LEARNING DEVICE POLICY 2019

As outlined in the [Letter to Parents](#) that was distributed Friday Week 9 Term 4, iPhones (or any other mobile phone) cannot be used as learning devices in 2019.

It will be an expectation from the start of 2019 that **all students in Year 7 to Year 12** will need to bring one of the following as their learning device

- Windows Laptop,
- Apple Macbook,
- Google Chromebook
- **Please Note** - students with existing **iPads** can continue to use these but new iPads should not be purchased as a learning device, as they are still often used inappropriately and limit the development of students typing and information technology skills

Staff Vs Students

21.09.18

Dear Parents,

Please take time during the October School Holidays to pray for the students who will be at SPACE CAMP 2018 in Huntsville, Alabama, USA. The students are Mitchell Britton, Natalia Lukawski, Blake Sherry, Jackson Clarke, Jeremy Potts and Harrison Rose. I will be there with them as well and we will be at the camp for the duration of the holidays.

These students were chosen to represent Bede along with 140 other students from around the state.

During Space Camp students will be involved in completing STEM experiments as if they were training to be astronauts, meet astronauts, sit in a presentation given by Space X, visit Northrup Grumman HQ, Californian Science Centre, Disneyland and Universal Studios.

A big thank you to One Giant Leap who have organised this STEM excursion opportunity and the parents of the students for placing their child in my care.

SENIORS VS SEMINARIANS

The Seniors VS Seminarians Basketball Game was held on Thursday 30th August on the basketball court at BPC. Year 7 & Year 10 were invited as spectators whilst enjoying some popcorn, lollies and milkshakes organised by Ms Wall and the Year 11 Hospitality team. The Seminarians were able to defeat the Seniors to follow their win from last year. All students and staff enjoyed the game whilst listening to some of the SWAG leaders commentate to create an exciting and competitive atmosphere. Let's see if our Seniors can come back with a win next year!"

Kevin Jones

Guest Speaker

Snr Constable Amanda Jones gave a very insightful talk on safe partying for teenagers. She gave parents the information required to not only host a safe party for teenagers but what to do when your teenager is invited to a party. One of the most important messages she is trying to get across to our children is that they always need to look out for each other and never hesitate to get help from an adult / parent or ring 000 if they are worried about their friends' safety.

Assistant Principal Learning and Teaching Report - Mr Rodney Howard

In the student learning reports received at the end of each semester as well as academic results we also report on how students manage their learning particularly for **behaviour** in the classroom, the completion of work on **time** and the bring of **resources** required for learning.

From Semester 2, we will continue to report on these but have added two new dimensions we feel students require for learning not only now at school but for the future either in education or the workforce. Students taking **responsibility** for their learning, making informed choices and using the feedback given by teachers to improve their learning and students **participation** in class, being actively involved and taking initiative in their learning.

2018 POLDING WALK - Friday, 29th June

This year's Polding Walk proved to be another huge success and it was fantastic to see how the students and the entire school community supported this event so enthusiastically. The weather cleared to make the day a great one.

Bede Polding Day is not just about a walk – it is a time to celebrate the deeds of John Bede Polding. The students raised money for the school that will be used to buy a new 12 seater mini-bus.

Students worked extremely hard to arrange sponsors for the Polding Walk and we are pleased to report that the amount raised this year is approximately \$50,000. Thank you to our students, parents and sponsors for their collective efforts in raising this amount. Please note that all 'business' sponsors' will be acknowledged in our newsletters in Term 3 and receive 'Certificates of Appreciation'. On the day we received great support from the NSW Police.

There are incentive prizes for individual students and home rooms who raised the most money and these will be announced in Term 3 at a College Assembly.

This year we had 40 parents and friends who generously volunteered on the day by supervising on checkpoints or cooking/serving lunch. Without such wonderful support, the day would not have run so smoothly. Their names are listed elsewhere in this newsletter.

The students should also be commended on the co-operation and behaviour on the day which resulted in the Polding Walk being a safe event. We also received really positive feedback from NSW Police who patrolled the streets while the students walked.

The day began with the judging of the fancy dress competition. The effort that our students and staff made was outstanding. We had students dress up as, super heroes, pixies, fairies, clowns, pirates, wild animals, movie stars, warriors and famous faces just to name a few. Well done to too all who got into the spirit.

After the Polding Walk, students returned to school for a BBQ lunch before braving the carnival rides and the Battle of the Bands. The school car park became an amusement park for a few hours and the Hall came alive as students enjoyed the music. Congratulations to all contestants in the Battle of the Bands and thank you for entertaining us.

Is it bullying?

A recent article, *Parents need to know: not all unkindness is bullying* by teacher, Braden Bell, highlighted the need for careful consideration of behaviour before jumping to the conclusion that it is bullying.

He points out:

- Bullying is tragically real, with devastating consequences in both the short- and long-term.
- BUT Bullying, by definition, includes an **imbalance of power** (whether it's strength, popularity, or access to information), and is a behaviour **that happens repeatedly** or could be repeated.
- If we write off every unpleasant encounter as bullying, we do not enable our **young people to develop appropriate skills in managing unpleasant situations**. Skilling up young people enables them to develop **resilience**.
- Eileen Kennedy-Moore, an author and clinical psychologist wrote in an article in *Psychology Today*. "Also, **calling every act of meanness bullying sends an unhealthy message: It says to kids, 'You're fragile. You can't handle it if anyone is even slightly unkind to you.'**"
- How do we respond when a child encounters unkindness that isn't bullying? While the answers are as varied as the situations and the children involved, I've found some success with a simple question: **"What are your choices?"** And, as a follow-up, **"What are the likely outcomes of those choices?"**

Does your child catch a school bus? Help them keep it!

As the bus operator that providing your child's school bus services, we're asking for your help getting your child to use their Opal card on every bus trip.

Since the introduction of the School Opal card in 2016, school bus patronage data has significantly dropped. This is not reflected in the number of students actually travelling on our buses for various reasons a large number of students are consistently not using their Opal cards as they should be.

Opal data gathered by tapping on and off is used by transport planners and service schedulers to design the bus network that best serves the community utilising the resources available.

If students don't tap on and off then school bus services will appear underutilised and may be considered for cancellation based on low passenger numbers.

Please help us reinforce the message that tapping on and off every bus journey with an Opal card is essential to travel on the bus. This will ensure school services continue to be planned for the students that use it, providing the journey to school your children depend on.

To help us achieve this, please talk with your child:

- Ask them if they tap on and off the bus with their Opal card.
- If they do, congratulate them for doing the right thing and talk about why it's important.
- If they sometimes don't or never do, ask them why.
 - Are they confused about why they have to? Talk about why it's important, and that every tap tells the bus planners that the bus is needed.
 - Do they forget? Help them find a way to remember, such as getting into the habit of getting their Opal card out as soon as they arrive at the bus stop or bus line.
 - Is their Opal card at the bottom of their bag? Help find a handier place to keep it.
 - Are they influenced by friends or peers that don't tap? Talk about how they like to travel on the bus with their friends and how tapping is what keeps the service running.
 - Have they lost their Opal card? To order a new Opal card visit www.opal.com.au.

If there's another reason that you'd like to discuss with Busways, please contact us at info@busways.com.au or call our customer service team on **9497 1878** to talk to us. We are happy to listen and do what we can to help your child feel comfortable using their Opal card.

Thank you for helping us to best serve your school community.

IMPORTANT NOTICES:

Illegal Stopping in Tasman Place

This has been reported to police who will issue penalty notices to those offending.

Illegal U Turn:

All parents and students are warned that making a U turn out of the bus bay on Rifle Range Rd is illegal. We bring this to your attention as making this turn is very unsafe, even when the 40kmh limit applies. Please **do not** make this turn.

Recharging Mobile Devices:

All students are asked to ensure that their mobile devices are fully charged before they arrive at the College each day.

IMPORTANT NOTICE TO MOTORISTS

RE: SCHOOL BUS ZONES IN RIFLE RANGE ROAD

Please be aware that the School Bus Zones in Rifle Range Road are as follows:

1. The existing bus bay near the main car park gate is now a School Bus Zone on School Days from 8:00am-9:30am and 2:30pm-4:00pm. Therefore other than buses - any vehicle parking or stopping in this bus bay for any purpose during these times is doing so illegally. Clear signage has been erected reading "**NO ENTRY - BUSES EXCEPTED**" to warn motorists of this change.
2. The former School Bus Zone located near the Front Gate has been converted to a Full Time Bus Zone. Clear signage has been erected to warn motorists of this change. Therefore other than buses, any vehicle parking or stopping for any purpose in the School Bus Zone at any time, is doing so illegally.

IMPORTANT NOTICE FOR DROP OFF/PICK UP

For safety reasons parents are asked NOT to drive onto the school grounds to drop off or pick up students before 9:30am and after 2:30pm.

The ONLY EXCEPTION to this is for students with disabilities.

Thank you

IMPORTANT NOTICES - SMS ABSENCES

If your child is absent from school for any length of time and you do not receive an SMS message from the College please provide a note the first day back at school giving the date(s) and reason why your child was absent which should be given to their Homeroom teacher on the day of return.

On occasion it is out of our control that we experience an Internet or Telstra problem and therefore we are unable to send out the SMS absence messages.

Thank you for your patience.

Reminder of how to reply to SMS Absence messages

If you reply to the SMS message there is no need to send in a note to explain the absence -the SMS is sufficient. If you do not reply a note must be sent in with your child and given to their homeroom teacher on the day of return. In your SMS reply please include the following details:

Child first and surname, Year group and homeroom (if known), **reason for absence.**

Examples:

Kylie Howard, 8D2, sick with a cold.

Nikki Howard ,11, orthodontist appointment

PLEASE NOTE THAT IT IS VERY IMPORTANT THAT YOU GIVE REASON FOR ABSENCE. We are still receiving replies without providing a reason for absence. In these cases it is still an unexplained absence and will remain outstanding.

Please do not call the number sent in the SMS, it is only for SMS replies.

The replies are not downloaded till 1:00pm daily, so if, you need to clarify any details concerning your child's attendance please call the College office before 1pm on
4560 2900
