PRINCIPAL'S DESK

Dear Parents/Gurdians,

On Thursday 25th October I attended the Diocesan Education Mass at St Patrick's Cathedral in Parramatta with Joshua Rodricks-Testa, our REC, Shelby Vassallo, our SRC Coordinator, and Year 12 SRC representative Samarah Vella, Jake Dimech, Maddie Gollan, Andrew Sultana.

The mass was attended by teacher, students and parents from diocesan school both primary and secondary. The mass was celebrated by Bishop Vincent Long and fellow priests and was followed by a presentation by Catholic Mission on the work they are doing in Myanmar.

To celebrate the Year of Youth an Art competition was held and winners were announced at the mass. Congratulation to Rebekah Cody of Year 8 who received a Highly Commended Award in the secondary section.

God Bless

Congratulations to:

‘And the disciples were filled with joy and the Holy Spirit’ (Act 13: 52)

My artwork reflects the emotions of the disciples. After the disciples were filled with the joy of the Holy Spirit they went and praised God name in boldness and courage not shyness and fear. My Artwork reflects the boldness and courage the disciples had, when they went out and shared the joy among the people. This is why my artwork is bold and outgoing. Each element of my artwork represents two thing. The plaster face represents the disciple as they were praying in tongues and were filled the joy of the Holy Spirit. The splattered colours represent the Holy Spirit who gave them joy and the different tongues they spoke in and the different joy each disciple had. The hair represents the boldness and courage of each disciple and the wild way the disciples spread the Good News and joy.

Space camp 2019

What did the kids from Bede get up to while away on **Space Camp**???

Days 1 to 4:

We stayed in Anaheim, Los Angeles during these 4 days and used it as a base to travel to Disneyland, Universal Studios, California Science Centre and Northrop Grumman.

The first two stops were purely for fun, but allowed the students to form valuable friendships with both each other and others on the camp.

The other two stops provided valuable insights into the educational resources and employment opportunities that are available in the field of STEM - Science, Technology, Engineering and Mathematics.

California Science Centre allowed the students to see in person the actual Space Shuttle Endeavour that flew on 25 missions in space. While at Northrop they got to speak to engineers about employment opportunities within the field of STEM. Fun Fact: Northrop Grumman were the engineers that developed the first capsule for man to travel into space, the Apollo Lunar Module.

Days 5 to 10:

Here we are at **Space Camp**, Huntsville Alabama.

Space Camp (SC) is a NASA endorsed camp that any one from around the world can attend. During the students time at SC they were given opportunities to participate in missions as if they were training to be astronauts themselves. Check out the photos below:

PLEASE NOTE: a big shout out to the company ONE GIANT LEAP who have a passion for STEM experiences and sharing this with students and adults alike. The company Directors Jackie and Bob have been supportive, caring and shared their knowledge that have inspired many students on this trip to pursue career options in the STEM field.

Lastly: a thank you to the Australian Federal Government for providing grant monies that students used to subsidise the cost of the Space Camp trip. The Grant Money was available to schools who wanted to pursue STEM international excursions.

Have your say on diabetes in schools

Diabetes Australia is currently leading consultation to develop a national program to better support kids with type 1 diabetes in schools.

The new nationally consistent training program for teachers and school staff will be targeted at every school with a student with type 1 diabetes and this will cover the safe administration of insulin, hypoglycemia (low blood glucose level) management, and 'normalising' diabetes in schools so the students are not stigmatised.

The program will also clarify the legal framework for diabetes management in schools and resolve any confusion over who can train school staff, and which school staff should be trained.

To ensure the new program meets the needs of schools, students and parents, and builds on all the good work already happening, we want to hear from you about what works and what needs to be improved. Register to attend one of our information sessions using the links below:

LEARNING DEVICE POLICY 2019

As outlined in the [Letter to Parents](#) that was distributed Friday Week 9 Term 4, iPhones (or any other mobile phone) cannot be used as learning devices in 2019.

It will be an expectation from the start of 2019 that **all students in Year 7 to Year 12** will need to bring one of the following as their learning device

- Windows Laptop,
- Apple Macbook,
- Google Chromebook
- **Please Note** - students with existing **iPads** can continue to use these but new iPads should not be purchased as a learning device, as they are still often used inappropriately and limit the development of students typing and information technology skills

Does your child catch a school bus? Help them keep it!

As the bus operator that providing your child's school bus services, we're asking for your help getting your child to use their Opal card on every bus trip.

Since the introduction of the School Opal card in 2016, school bus patronage data has significantly dropped. This is not reflected in the number of students actually travelling on our buses for various reasons a large number of students are consistently not using their Opal cards as they should be.

Opal data gathered by tapping on and off is used by transport planners and service schedulers to design the bus network that best serves the community utilising the resources available.

If students don't tap on and off then school bus services will appear underutilised and may be considered for cancellation based on low passenger numbers.

Please help us reinforce the message that tapping on and off every bus journey with an Opal card is essential to travel on the bus. This will ensure school services continue to be planned for the students that use it, providing the journey to school your children depend on.

To help us achieve this, please talk with your child:

- Ask them if they tap on and off the bus with their Opal card.
- If they do, congratulate them for doing the right thing and talk about why it's important.
- If they sometimes don't or never do, ask them why.
 - Are they confused about why they have to? Talk about why it's important, and that every tap tells the bus planners that the bus is needed.
 - Do they forget? Help them find a way to remember, such as getting into the habit of getting their Opal card out as soon as they arrive at the bus stop or bus line.
 - Is their Opal card at the bottom of their bag? Help find a handier place to keep it.
 - Are they influenced by friends or peers that don't tap? Talk about how they like to travel on the bus with their friends and how tapping is what keeps the service running.
 - Have they lost their Opal card? To order a new Opal card visit www.opal.com.au.

If there's another reason that you'd like to discuss with Busways, please contact us at info@busways.com.au or call our customer service team on **9497 1878** to talk to us. We are happy to listen and do what we can to help your child feel comfortable using their Opal card.

Thank you for helping us to best serve your school community.

IMPORTANT NOTICE TO MOTORISTS

RE: SCHOOL BUS ZONES IN RIFLE RANGE ROAD

Please be aware that the School Bus Zones in Rifle Range Road are as follows:

1. The existing bus bay near the main car park gate is now a School Bus Zone on School Days from 8:00am-9:30am and 2:30pm-4:00pm. Therefore other than buses - any vehicle parking or stopping in this bus bay for any purpose during these times is doing so illegally. Clear signage has been erected reading "**NO ENTRY - BUSES EXCEPTED**" to warn motorists of this change.
2. The former School Bus Zone located near the Front Gate has been converted to a Full Time Bus Zone. Clear signage has been erected to warn motorists of this change. IMPORTANT NOTICES - SMS ABSENCES

If your child is absent from school for any length of time and you do not receive an SMS message from the College please provide a note the first day back at school giving the date(s) and reason why your child was absent which should be given to their Homeroom teacher on the day of return.

On occasion it is out of our control that we experience an Internet or Telstra problem and therefore we are unable to send out the SMS absence messages.

Thank you for your patience.

Reminder of how to reply to SMS Absence messages

If you reply to the SMS message there is no need to send in a note to explain the absence -the SMS is sufficient. If you do not reply a note must be sent in with your child and given to their homeroom teacher on the day of return. In your SMS reply please include the following details:

Child first and surname, Year group and homeroom (if known), **reason for absence.**

Examples:

Kylie Howard, 8D2, sick with a cold.
